Request for Sponsorship & Donations

Each year the Ontario First Nations Young Peoples Council is responsible to secure financial resources required to host an annual youth symposium. The success of the event relies heavily on the support we receive in funding, monetary donations, sponsorships and in-kind contributions, and because of this we are taking this opportunity to invite your participation as a sponsor to our sacred and unique event.

Our 7th Annual Youth Symposium will bring three hundred young leaders together with treaty experts to *learn*, to *celebrate* and to *honour* the Spirit & Intent of Our Treaties and Treaty Relations.

Our annual symposium rotates amongst the PTOS/Independents, this year Independent First Nations is slated to host the seventh annual youth gathering. The Mohawks Council of Akwesasne Youth Council which forms part of the structure of the Mohawks Council of Akwesasne will host the gathering at the Akwesasne School on August 16th to 18th, 2010. These dates are set as this time however they may be subject to changes. We are working diligently to secure all the financial resources we need to support all our activities but we have not yet reached our target amount.

The OFNYPC is counting on your support. There are several levels of sponsorship. Please see the enclosed sponsorship campaign flyer and information on our annual symposiums. We welcome all levels of contributions and any amount of money you are able to contribute will be greatly appreciated and will go a long way to help emerging young leaders to honour and uphold the treaties passed on by our ancestors. Every donation, no matter what size is greatly appreciated and will be put to excellent use.

If you have any questions or concerns, please call 807-626-9339 or 416-986-9856 or email at laura@coo.org. Thank you for your kind consideration. We hope that you will partner with us on this very important event.

Please forward written confirmation of your financial donation and sponsorship to:
